Rainbow Eco Play
Inspiring Creativity

Sand Play - Nature's natural learning resource

Children learn about the world around them through their senses and the physical manipulation of their environment, making sand a rich area for learning. Playing with sand encourages sensory development and provides a fantastic opportunity for children to explore the benefits of messy play.

Sparkle Sand

Sparkle sand is a fun and creative material that is an environmentally friendly alternative to plastic glitter. Great for adding shimmer and shine to decorations, seasonal gifts and is ideal for many arts and crafts projects, including card making, collages, creating textural effects and sand painting.

Sets of 6 220g shakers €14.95

Fluoresent Sand

Bright and fluorescent coloured sand is a fun and creative material that can be used in a wide range of activities. The coloured sand is also a fantastic tool for supporting children's development in Early Years - by adding a few extra materials, using the sand as a resource in small world play.

Sets of 6 220g shakers €14.95

Coloured Sand

Coloured sand is ideal for sand pits, sand trays, marking and can be used in many art and craft projects including collages, creating textual effects and sand painting.

Sets of 6 220g shakers €14.95

5kg bag €9.95
